AUDITOR REFUSES SALARY HIKE

Park employees go payless

Tewksbury Town Auditor Thomas J. Berube has refused to pay the entire park department staff because he apparently believes the salary set for attendant Ernest Lightfoot is illegal.

The town selectmen have learned of Berube's action, and several have criticized Berube for not explaining why he didn't include salaries for the park department staff on the May 29 warrant.

Park Cmsr. John Leslie complained to the selectmen about Berube's action, and explained the situation. Leslie said his commission voted to pay Lightfoot at the second step for park attendants, and the finance committee approved the salary. Step two would give Lightfoot \$9,238 a year as opposed to \$7,931 for step one.

Nevertheless, Leslie said, Berube refused to include all salaries for the department's staff on the warrant until the commission restricted Lightfoot to the step one salary.

Leslie asked if Berube had the authority not to include on the warrant pay and other vouchers approved by any town board, and whether his commission could start Lightfoot at step two.

Town Counsel Charles J. Zaroulis answered that Berube had concurrent power over the warrant with the board of selectmen, and had the right to refuse payment of any salary or bill he considered illegal.

"Are you telling me he can sit on something for as long as he wants?" asked Frank A. Antonelli, chairman of the selectmen.

"I would say he could sit on it until someone takes legal action against him to make him pay it," Zaroulis answered. He added that as an elected official, the selectmen had no control over Berube's actions, except in disapproving any allegedly illegal parts of any warrant approved by Berube.

The selectmen unanimously authorized Zaroulis to determine if the park commission and finance commission acted legally in setting Lightfoot's salary at step two.

During a discussion on Berube's action, Antonelli commented that Berube refused to pay a firm for a mini-bus bought by the town to service elderly persons, and also refused to pay several bills for the Livingston Street Recreation Area. He said the firm only turned the vehicle over to the community action committee (CAC) through the efforts of Antonelli and Executive Secretary Ruth Aubert, even though the bill remains unpaid.

Mrs. Aubert advised the board Berube later contacted her concerning the matter. She said although the selectmen approved the purchase agreement and Zaroulis okayed its wording, Berube wanted the agreement signed by every member of the CAC before he would include payment on the warrant.

Antonelli expressed criticism of

Berube's action several times during the discussion, and said Berube should have explained his action to the selectmen. Zaroulis advised him that although an explanation would have been courteous, Berube wasn't required

by law to explain his actions to the selectmen.

"I think the problem here is there is one man who is acting as the board of selectmen, the treasurer and everyone else with power," Antonelli commented.

Controversial teacher rehired in Tewksbury

Mrs. Janet Barrett has been rehired as an elementary teacher by a 3 - 1 vote of the Tewksbury School Committee. The vote hopefully ended a year-long controversy over Mrs. Barrett's rehiring.

The committee voted 4 - 1 in the spring of 1972 not to rehire Mrs. Barrett, though she was recommended for the post by her principal and her name was listed among those recommended by School Supt. John N. Wynn to be rehired.

Only Committeeman James E. Sullivan voted to rehire Mrs. Barrett after Committeeman Thomas L. Nawn opposed her rehiring and Wynn reportedly told the committee he had reservations in recommending her for another year.

Mrs. Barrett, an elementary teacher at the Center School, had reportedly been critical of a textbook used by her students and classroom facilities. Reportedly several school committeemen, led by Nawn, were critical of Mrs. Barrett.

The teacher later asked to discuss the committee's action in an executive session, and several parents supported her bid to be rehired.

Later Committeeman Edward L. Irwin joined in supporting Mrs. Barrett, and at one point the committee reapportioned her by a 2 - 1 vote, with Mrs. Loella Dewing voting present and H. Bailey Truss in the opposition. At the next meeting, Nawn alleged the 2 - 1 vote to rehire her was illegal, and Mrs. Barrett wasn't rehired, though her supporters maintained the earlier vote was legal.

During consideration of teachers to be hired for the 1973-74 school year recently, Sullivan recommended Mrs. Barrett be rehired. The committee voted May 23 to rehire Mrs. Barrett, with Sullivan, Irwin and Joseph W. Lipchitz in the majority, and Trull in opposition. Nawn wasn't present, and Wynn reportedly opposed rehiring her.

A 19-year-old Tewksbury man charged with assault and battery with a dangerous weapon, disorderly conduct and drunkenness has had his case continued until June 28 in Lowell District Court.

Walter Cullinan, 19, of 17 Knollwood Rd., was arrested in Tewksbury May 2 by Ptl. Clifford Bolton. Frank H. Stout, Jr., 19, of 133 Shawshen St., who was with Cullinan when he was arrested, was also charged with attempting to rescue a prisoner. Stout's case was also continued until June 28.

Cullinan, his father Leo Cullinan Sr., of the same address, and others are suing two Tewksbury police and town selectmen for allegedly violating their civil rights in connection with an alleged beating given the younger Cullinan and another youth December 24, 1971.

AND MICELI'S MINUTES Nova Devices turned down

The business of musical chairs, in the meeting of the Wilmington Board of Selectmen, appears to be finished. All were seated in their usual places in the Tuesday evening meeting.

But another game was played, or perhaps stopped is a better word. For years Mr. Miceli has been "correcting" the minutes of the meeting, at practically every meeting of the selectmen, generally to make him appear better. Mike Cairra stopped that practice, Tuesday.

Tuesday night Mr. Miceli wanted the minutes of the previous meeting corrected to describe a trip he had made to Weeping Hill in South Wilmington.

Cairra asked why. The ensuing conversation was very low pitched, and could not be easily heard, but when it came to the vote to amend the minutes only Miceli voted in favor. Mr. Boylen then asked for a vote on the minutes as originally submitted. This was done, with four selectmen voting in favor and only Miceli voting against.

Another little highlight of the meeting was the vote on the Ad Hoc Historical Committee.

Mrs. Callan has already been named to the committee. Four more were to be named. Four persons were nominated, each by a Selectman, and all four were elected, but Miceli spoke up to say that he wanted it recorded that he had not voted for Stella Courtney, nominated by Cairra.

Elected to the Ad Hoc Historical Committee were Stella Courtney of Andover Street, Mike Walsh,

Dorothy Ave.; Warren Sheerin, Gunderson Road; and William Meyers of Pilling Road.

Cairra suggested that a High School student be included. The suggestion was well received. The chairman will consult with the chairman of the High School Student Board of Selectmen, the difficulty being that persons suggested will probably be going off to college.

Georgia Pacific to build in North Wilmington

Land is being cleared on a 14 acre tract off Ballardvale Street, in North Wilmington for the Georgia Pacific Corporation, by the General Contractor, Connelly Brothers of Beverly Farms. An 80,000 square foot pre-engineered building is planned, together with another 50,000 feet of paved area for the new facility. There will be a railroad siding to the new building.

The completion date is December first according to the architect, George Livingstone of Wakefield. The building is to be 434 feet long, and 180 feet wide, and will have a canopy 50 feet wide and 350 feet long.

The Georgia Pacific Corporation has been negotiating the purchase with the Wilmington Industrial Commission since last December. Georgia Pacific is one of the largest, if not the largest of firms interested in the sale of lumber products including building materials, paper and chemicals, and it is also in the gypsum business. The home office is in Portland Oregon.

Records in the Middlesex

Registry of Deeds show a sale price of over \$200,000 for the 14 acres of land, which is a part of the former Friend Farm, and is located about opposite to the Charles River Breeding Laboratories. There is 610 feet of frontage on Ballardvale Street and 620 feet of frontage on the Boston and Main Railroad.

The North Wilmington facility will replace one at present in Needham, and it is hoped that the plant will be open for business before January 1. It will employ about 25 people, and the Needham manager, Jack Sullivan, is to be the Wilmington manager, when the business has been relocated in Wilmington.

A history of the actions by the Conservation Commission was read by Arthur Bureau, former chairman. He told of a Cease and Desist order being served by the Police Department, and of action possibly by the Attorney General's office. The Cease and Desist order, he said, was served on May 23.

Selectman Boylen insisted that the records of an entire hearing, held in Boston, had been left out of the record. He was joined by other selectmen. The hearing had been before the Department of Natural Resources.

After some conversation Bruce Peters told the Selectman that "we have a letter coming from the Attorney General's office". As he described it the Hatch Act proceedings in 1967 or 68 had not been renewed for two years, and then suddenly a renewal was

Rain didn't deter Tewksbury parade lovers

More than 1000 persons lined Tewksbury streets Memorial Day to see the town's annual parade, despite a lack of publicity, iron grey skies and a light rain that finally began falling only minutes after the parade began.

Nothing could deter the town's parade lovers, who applauded local police and firefighters as well as marching units from Tewksbury and many communities throughout the area.

Leading the parade were the town selectmen and other officials, and the parade marked the event of the first appearance of the town's mini-bus for the elderly. A unit from the Lowell-Dracut Com-

pany of Minutemen, in white and green colonial uniforms, added a certain excitement to the event as the men fired off their 200-year-old muskets from time to time.

The crowd was generally in a cheerful mood, despite the solemn nature of the day and the poor weather. Viewers shrank to a handful of private citizens by the time memorial ceremonies were held in Tewksbury Cemetery, where local and state officials spoke about the nation's dead.

The Rev. Patrick Hollywood, O.M.I., of St. William's Church, gave the invocation. He expressed hopes this Memorial Day "may mark the last of man's wars with

his fellow man."

Neil Niven Jr., vice chairman of the selectmen, spoke a few words about the occasion.

State Rep. Frank A. Antonelli called on the gathering not only to remember those who died in past wars, but to remember those who are missing in action in Indochina. "The only answer is hope and prayer," he said.

Antonelli referred specifically to Richard Morin, a Tewksbury resident missing in action in Laos since 1968, and read a letter from Morin's mother, Mrs. Carmin

Morin.

Mrs. Morin called on the people to demand an answer concerning the fate of 1300 men missing in action in Indochina.

Among participants in the parade were the town's fire and police departments, the local VFW and American Legion posts, the VFW Ladies Auxiliary, the Knights of Columbus, the Orbitsers, St. William's Church, Brownies, Campfire girls and Cub Scouts and Tewksbury Memorial High School.

SPEAKING AT CEREMONIES: Frank A. Antonelli, chairman of the Tewksbury selectmen, called on persons participating in rainy Memorial Day services to remember not only the dead, but those persons still missing in action in Indochina.

MARCHING WITH THE OLD MAN: Bob Briggs joined his father Bob marching with the Tewksbury fire department in the town's Memorial Day parade.

DOING THE TWO STEP: Police Chief John F. Sullivan led the Tewksbury police in the Memorial Day parade, but when he put his right foot forward, they put their left.

with Paul Godzyk about junk trucks, etc. on the Godzyk property. Mr. Lynch reported to the Selectmen Tuesday night, and was surprised to have Mr. Godzyk show up and take an enthusiastic part in the conversation.

The junk piles are going to be cleaned up, Mr. Godzyk assured the Selectmen.

He had, years ago, planned to put in a garage and a gas station, and was stopped by an official who insisted on a deed to the property. Godzyk didn't like that - and since then there had been many gas stations, but he didn't get any. Godzyk told of other difficulties too.

It was perhaps the first time that the Selectmen had heard Godzyk's side of the story, and they were seemingly impressed. They parted in fine spirits.

Kennels

Mr. and Mrs. Ted McKie of Woburn Street were at the Selectmen's meeting to discuss dog kennels. Their point was that people who were the proponents of kennels had spoken before the selectmen, and that opponents should be allowed to. Mr. McKie said, among other things that a kennel license could mean up to fifty dogs, and other points were discussed.

Danny Gillis said he was in doubt as to the legality of kennels with reference to the zoning by-law, as he was in doubt about horse shows. When licenses had been granted, he said, he was opposed.

Electric Power
The Selectmen went into an executive session at 9:30 pm with Jon Byrne and Clarence Chapman, of the New England Power Company.

Reserve patrolmen question suggestion they be fired

Three Tewksbury men have questioned Lt. Walter J. Jop's action in recommending they not be retained as reserve patrolmen. They also questioned Jop's report they repeatedly refused to work assignments offered them, and that was the reason for the lieutenant's recommendation.

Police Chief John F. Sullivan and Jop were to have appeared at the selectmen's May 29 meeting to discuss their department, but both informed the board earlier in the day that they would be unable to attend. Sullivan said he had to go to a funeral, and asked that he meet the selectmen at their next meeting.

Chairman Frank A. Antonelli, explaining that the three men attending the meeting also attended another in which Jop didn't appear, said it was only fair the selectmen allow the men to speak.

Antonelli reported that a fourth man who also got a negative recommendation from Jop was so displeased over the situation that he didn't want to continue serving as a reserve.

The most serious complaints were made by David M. Casey and Joseph F. DeLucia Jr. Casey said he was appointed as a reserve in 1969, and except for being called for the Memorial Day parade this year, was last called June 17, 1972.

Prior to that date, Casey said, he worked once or twice a week as a reserve. Referring to Jop's reasons for recommending the men not be retained as reserves, Casey charged, "The simple matter here is that what he is saying is not true."

DeLucia said he had been a reserve since 1970, but was only called for two Memorial Day parades and for one other job. "I didn't refuse (to work) because I was never called."

Walter J. Stanwyck stressed he never complained about his lack of work to the selectmen or any other officials. He explained that he had

Wilmington Selectmen

granted, and the bank sold the land to Drinkwater.

Peters also described "several" parcels of land as having been given by the former owner, Mr. MacFarland to someone.

There were a lot of questions that were unanswered, Peters insisted.

He also discussed the possibility of a Special Town Meeting, to take by eminent domain or purchase the land, for the Conservation Commission. Mr. Bureau had just discussed the cost to Drinkwater of \$25,000 for the property, and felt that the damages would not be much higher. Miceli warned that they could be much higher.

Chairman Banda warned that it would be impossible to take the Drinkwater land "and leave two or three lots there". Later on he described the problem as "having

a lot of grey areas."

Gillis read minutes of a Planning Board Meeting of April 9, 1968, in which the Planning Board had turned down a "modification" of the Alderwood Estates for four stated reasons, the first of which was that "we cannot clean out (the streams) below the railroad to the Ipswich (river)". Gillis said he had been talking about the problem with Representative Cain.

The upshot of the conversation was that if a Special Town Meeting is to be called it will have to be done in the June 4th meeting of the Selectmen, because the tax rate has to be set before July 1, and because there has to be twenty days between the Call and the Meeting.

Godzyk's Autos

Paul Lynch, Chief of Police, had been assigned a task of talking

It is known as P-601

The controversial wetlands in East Wilmington, about which residents of the Alderwood Estates are worried are known as "P-601 - Wilmington" in the office of the (State) Department of Natural Resources, in Boston.

The DNR has caused an employee, E. Thomas Lewick to look over the site, and in his report he says the area is "a very flat swamp. Some drainage ditches were dug at sometime in the distant past. There are also remains of an old road with a stone box culvert crossing the swamp. At one time there was a culvert flowing westward under West Street. That culvert was blocked when the house on lot 39 was constructed. There is a shallow swale between lots 38 and 39. The swale is wet but there is no visible flow of water."

Lewick goes on to describe the now non-existent Reva Brook, about which the Town Crier has

written several times in the past decade, and says "When Route 93 was built no culvert was provided for the stream. The water along the west side of Route 93, and into the Ipswich."

(The Town Crier disagrees with that last statement in part. The water was diverted along the west side, but only to the point of the pipe line of the Tenneco company. From there on there is no course for the water. ed)

"According to Mr. Leo Andronico of the Division of Waterways the plan and profile of the proposed Kenwood Avenue do not show adequate equalizing culverts to provide proper drainage for the drainage ditches and swamp through which Kenwood Avenue will be constructed."

The report says that there is another error about "the new culvert" under West Street. The report at this point does not seem to be clear.

DNR Letter to Drinkwater Brothers

The Department of Natural Resources, under the date of May 29th has mailed a letter to Alfred T. & Louis P. Drinkwater, with reference to the drainage of land in P-601 in Wilmington. A copy of an Order of Conditions of May 31, 1968 to S. McFarland & Sons was enclosed.

The Order of Conditions had seven numbered paragraphs, saying, among other things that no work shall commence unless "like notice and Plans" have been filed with the Selectmen and the Massachusetts Department of Public Works.

The order, the letter says in paragraph 3, does not grant any property rights of exclusive privileges. It does not authorize any injury to private property or invasion of property rights, etc. and, under section 4, it states:

4. That the work authorized

hereunder shall be completed within one (1) year from the date of this Order of Conditions. Extensions of this one year period may be obtained by the submission of plans indicating the remaining work to be done

Under Paragraph 7: That the minimum size pipe arch of 43" x 27" is required and must be used on that part of the project that calls for a culvert under West Street.

The governing letter states that the office of the DNR must receive copies of the requested easements and/or corrections before any further work takes place that would violate the rights of the property owners involved. "Failure to provide said easements by June 19, 1973 will be considered a violation of Condition 3 of your Order of Conditions."

ZAROLIS SUGGESTS Give illegal home owner time to get variance

Town Counsel Charles J. Zaroulis suggested the Tewksbury selectmen not take legal action to have a house built on an allegedly illegal lot moved until the appeals board hears a request for a variance to allow the house on the site.

While the selectmen seemed to accept Zaroulis's recommendation, no vote to follow the suggestion was proposed by any selectmen. Zaroulis's proposal, if followed, would allow Mr. and Mrs. Harold E. Sledz, of Michigan Road, time to ask the appeal board to act.

The Sledz family owns the home, allegedly built on an illegal lot and sold to them by Amanda DeCarolis. Zaroulis said the Sledz family was apparently suing DeCarolis over the matter, and advised the selectmen they could also take action against DeCarolis. Anybody violating the zoning bylaw, Zaroulis said, could be fined \$100 for each violation, and a court might allow that fine to be made for each day a violation was in effect. The home was reportedly built in 1970.

In a related matter, Building Inspector William Granfield said he apparently uncovered a similar zoning violation across the street from the Sledz home. He said he would present further information on that case at the next selectmen's meeting, and planned to notify the owners of the home. Raymond J. Maillet notified the selectmen he must resign from the municipal building committee because his duties as a road commissioner required more time.

Zaroulis said he and an attorney for the Police Relief Assn. had agreed on the wording of the new police contract, and it would be ready for signing at the next selectmen's meeting.

The selectmen approved a summer schedule for their meetings. Except under special conditions, they will meet June 12 and 26, July 10 and August 14. A public hearing was set June 26 for a petition to store 500,000 gallons of fuel oil at 1177 Main St. John J. McClellan requested the hearing.

Robert Ryan, the full-time dog officer, agreed to assume the part-time officer's emergency duties in return for the part-time officer's salary. He said, however, he would only take the duties until the

selectmen determine how to fill the duties of the part-time man.

A land auction held by the selectmen resulted in the following sales:

A lot totalling 28,500 feet in the Wameit Villa section, for \$1000, to Governor's Realty Trust.

A 2700 square foot lot between South and Maplewood roads, for \$200, to Joseph Gillis, of 1 Water St., an abutter.

A 10,000 square foot lot in the Riverview area on Wameit Road, for \$7000, to Governor's Realty Trust, after bidding for the property against other prospective purchasers who first offered \$5000 for the land.

No one bid the selectmen's minimum of \$3000 for 6,750 square feet of land in the Oakland Park area between Dakota and Illinois roads.

The Highway Department notified the selectmen they didn't want two lots to be sold which were originally proposed for auction.

The board voted to ask the Massachusetts League of Cities and Towns to protest cuts in state Cherry Sheet disbursements to the town, with an emphasis on cuts for vocational school expenditures.

A Day of Memory by Marie-Elena Fantasia

Through all of my life
I've loved you so dear
Through every hour
And day of the year.

With pride I watched
As you went off to war
And smiled as you waved
Though my heart was sore

Inside I cried
As I stood on the bay
And watched the flag high
Touch the blue sky of May

Then dropped the rain
On my tear stained face
As the flag unfurled
In a billowing grace.

The taps softly echoed
Amidst the trees standing high
Once again my dear love
I whisper good-bye!

Father Pearsall of St. Thomas Church made an encouraging statement last week when he said that there had been fewer problems involved with the operation of St. Thomas' Youth Center during the 1972-73 season than ever before in the history of the Center.

More than fifteen professional stamp collectors will participate in the Burlington Mall's first annual Stamp Show on the Mall, Saturday, June 2nd from 9:30 am to 9:30 pm. Dealers will be willing to appraise as well as sell at this show which will include many rare items and a large collection of supplies. They will also be able to answer most questions amateur collectors might have.

Pat MacFeeley of Burnap St., Wilmington, served as hostess last weekend at the Mass. Legal Secretaries Convention in North Hampton.

Mr. and Mrs. Alan Clement and family of Bay St., Wilmington returned home Monday following an enjoyable weekend camping trip at Deerfield River.

Patrick Ferrara, of 10 Woodland Drive, Wilmington, Foreman at Itek Corporation's Optical Systems Division, recently participated as a member of the project team that produced a camera which is aboard NASA's Skylab satellite now in orbit. Boots Boudreau and Doug Spring were the only two persons who showed up on Memorial Day afternoon in Wilmington, to run the five mile Marathon. Everyone else was afraid that they would be washed away in the rain, Boots says.

We are asked to always remember, and to respect and honor our veterans. There seems to be something lacking in the respect Wilmington veterans have for each other. Last Saturday evening, only three men turned out to place over 400 flags on the graves of veterans in Wildwood Cemetery. One man (not a veteran) and two of his sons had to finish the job Sunday morning.

On the subject of flags, there was an appalling number of them missing from the graves by parade time Monday morning. Perhaps there are those of us who should question where "our little darlings" acquired the flags so patriotically waving from the handlebars of bicycles.

The Tewksbury Environmental Conference will hold its monthly recycling drive Saturday and Sunday, June 2nd and 3rd from 7 am to 4 pm at the parking lot between the Tewksbury Fire Station and the Library. Citizens are asked to have newspapers and magazines bundled, cans rinsed, labels and ends removed and flattened; bottles rinsed, labels and all metal removed; plastics free from metal and rags washed and put in bags. Such things as cereal boxes, egg cartons detergent boxes, etc. cannot be recycled.

Wilmington's beloved Mel Woodside will be among the fifty year graduates to be honored by the College of Pharmacy in Boston this weekend. Mel graduated from the college in 1923 and is one of the few members of his class still active in the field. Mr. and Mrs. Woodside have been co-operators of the Wilmington Center Pharmacy for the past 28 years.

There have been complaints from time to time of poor service in the Wilmington Post Office, when it comes to delivery of mail to the boxes. At least part of the reason is that the Post Office has been cut, in the number of clerks.

There was a real good reason last Thursday. Some mail which was to be in the boxes by 8 am didn't get there until after 2 pm. Charlie Ritchie has nine clerks. One was out on vacation. Another had been painting the side of the house, fell off a ladder and broken three ribs. Still another had a torn ligament, and was under orders from his doctor to stay off his feet. Etc. Etc. Etc.

All told Charlie had a total of three clerks working.

A few months ago the Beverly Cardinals and Wilmington Crusaders merged to form a new outstanding corps. This new Drum and Bugle Corps has over 120 members and expects to do very well in the coming season. Its first appearances locally will be at the "Serenade of Champions" sponsored by the Blue Angels of Danvers. The contest will take place on Saturday, June 2nd at Deering Field, Danvers at 7:30 pm and will feature all class "A" competition among some of the top corps in the east. Tickets will be available at the gate.

James E. Viola, Jr., of 4 Fay St., Wilmington is among the 300 artists and craftsmen exhibiting their works at the 3rd annual June Art in the Park, a public exhibit to be held on the Boston Common June 2nd and 9th from 10 am to 5 pm.

Believe it or not from Austin Prep - Joe Kelley of Reading pitched a no-hitter against Dracut High School last week and lost the game, 1-0. Kelley allowed no hits, walked two and struck out nine in a well played contest. Dracut scored a lone run in the 6th on a walk, a sacrifice and an error. The error came when Steve Swanson of Burlington, Austin catcher threw a perfect strike to third base. The ball eluded Glen Adduci of Burlington and rolled into left field permitting Dracut's Ferguson to cross the plate with the only run of the game.

"Child Care" a parents' discussion group dealing with baby's first two years will be presented at the Melrose-Wakefield, beginning on June 4th. The group will meet for six successive Monday nights, June 4th through July 9th, from 8 pm to 10 pm at the hospital's main cafeteria at 585 Lebanon St., Melrose.

The Rev. Herbert Coontz of 30 Glen Rd., Wilmington will observe his 88th birthday on June 1st. Mrs. Coontz (Donna) is somewhat younger than her husband, she won't become 88 until June 25th. The Rev. Coontz is a retired minister who remains an active, helpful member of Wilmington's Methodist Church. The couple will celebrate their 59th wedding anniversary on August 25th.

Among the Wilmington "youngsters" celebrating birthdays about now are, Leo Woodside of Roberts Road who observed his on May 20th, Paul MacMullin of Ferguson Road, on May 21st, and George Hooper of Allen Park Drive who will "turn another leaf" on June 2nd.

The WHS Varsity Club will hold their banquet on June 6th at the North Intermediate School. Senior and other varsity athletic awards will be presented.

Bill Gustus, former three-sport standout at Wilmington High School, received a varsity letter for baseball at Wesleyan University's 12th annual Walter MacNaughten Spring Sports Banquet held May 16th. Gustus played first base and pitched for the 8-9 Cardinals. He batted .280, fourth best on the squad, and posted a 1-1 record on the mound. The sophomore lefty's pitching victory was a 5-3 decision over the Coast Guard Academy. Bill is the son of Mrs. Walter J. Gustus of 16 Brand Ave., Wilmington.

Wilmington High School has a new squad of beautiful, talented majorettes including: seniors, Janice Gennetti and Pat Hanlon twirling their batons and marking time, while juniors Sally Carlson, Theresa Castaldo, Debbie Lucci, Debbie Ryan, Mary Sullivan and Joyce Vandyler follow close behind sophomores Nancy Sullivan and Janet Yankowski and next year's freshman Lisa Hancock. SPRING TRACK

The Wildcats ended their regular season at Methuen last Wednesday as they beat the Rangers, 72-59. Wilmington thus finished third in the MVC behind Andover (first) and Billerica (second), with a 6-2 conference and a 7-2 overall. This is quite an achievement for Wilmington since they finished with a 2-7 seasonal slate last year. The WHS track squad is composed of primarily sophomores, and their

depth proved to be the factor. With only four events to go in the meet, the score was tied at 54-54, and Wilmington pulled out eight of a possible ten to win. Doug Stewart broke the school record in the triple jump with a 43' jump. Doug held the previous honors with a jump of 42' 7". Larry Singelais and Paul Reed both tied the school record of 10' in the pole vault. Larry holds the tied record.

The Wildcats traveled to Boston, Monday, to engage in the State Meet and Finals.

Rich McCully finished fourth in the hurdles with a time of 21.5 and Bruce Bishop racked up the other Wilmington honors finishing fifth

in the discus. Bishop's throw was 143' 3 1/2". Doug Spring broke his own record in the two-mile for the third time this year with a time of 9:58.0. Doug set the school record a total of four times on the season. The Wildcats Totaled seven points.

VARSITY CLUB BANQUET SET FOR JUNE 6TH

The Wilmington High School Varsity Club will hold its first annual banquet on Wednesday, June 6th at the North Intermediate School beginning at 6:30 pm. Students who have earned letters in varsity sports will be given awards. Other awards include presentations of the Kevin Nolan and Richard Lipski Memorial Trophies; the Gerald Fagan award to the outstanding male and female athletes.

The guest speaker at the affair will be Lennie Merullo. Lennie is a former major league baseball player with the Chicago Cubs. He shares the current major league record for consecutive hits in one game with six. Lennie is also a scout for the Cubs and is accredited with signing one of the first "bonus babies" in major league baseball (Danny Murphy of St. John's Prep signed with the Cubs for \$100,000 dollars).

BASEBALL

The Wildcats upped their slate to 8-7 last Friday by virtue of beating Chelmsford, 4-3. Barry Foster, who already has earned a no-hitter this season, boosted his record to 3-4. Barry scattered six hits, wiffed nine Lion batters, and issued only four walks. Steve Coursey led Wilmington's attack with a single and a double, and drove in two runs. Tom Woods singled to knock home the winning run scoring Wayne Crosswell from second. Chelmsford picked up two runs in their half of the sixth to close the gap, but that was it.

Wildcats 200 101 6-4
Chelmsford 000 012 0-3

The Wildcats closed their season Tuesday by beating Dracut at WHS field, 2-0. Wilmington's slate now stands at 9-7, and the worst the Wildcats can finish is third. Phil Morrissey recorded his fourth win to close out the season with a record of 4-2, wiffing nine batters, allowing only a single in the third and fourth frame, and issuing four walks. The Wildcats had only one hit, which was an infield single by Tom Aprile.

The varsity both runs in the sixth frame without benefit of a hit. Ken Kumm walked, Aprile reached on an error, and both runners advanced on Bob Stewart's sacrifice. On a squeeze play, the Red Devil catcher could

not handle the low pitch, and Kumm scored from third. On the next pitch, Aprile scored on a passed ball.

Dracut 000 000 0-0
Wildcats 000 002 0-2

The Wilmington Jayvee team finished its season also with a 2-0 win, over their counterparts from Dracut. Jon Fredrickson and Doug McClain combined for the six hit shutout. Wilmington got both runs in the fifth inning on a two-run base hit by Mark Blaisdell. The Jayvee's slate ends at 7-8. John Busby was the leading hitter for Coach Gagnon's squad batting 410. McClain took the hurling honors with a record of 5-2. The Wildcat frosh squad closed out their season with a 10-2 loss to Dracut. Their seasonal slate ends at 1-8.

WILMINGTON RECREATION SOFTBALL LEAGUE

Tues. May 22nd: Compugraphic upped its slate to 2-0 by virtue of slaughtering Smithcraft, 18-4. This was the first loss for Smithcraft, and the first time in four years that they were beaten this badly. In the fourth frame, Don Painchaud singled, and consecutive walks to Paul Bova and Paul Volpe loaded the bases. Joe Schier then singled to score Painchaud and the game winning run. Arturo Delliacono (2-1) pitched 3 1/3 innings giving up six runs and nine hits to record the loss. Artie Chagnon boosted his slate to 2-0, as he hurled the full seven frames giving up only seven hits. Silver Lake pharmacy opened its season on a positive note as they completely leveled Soderholm, 15-3. This was the first loss of the season for Soderholm, whose record was lowered to 2-1. Silver Lake tallied for seven runs in the third frame, two of them on a two-run homer by Joe Langone

which brought across the winning run. Other homers were by George Pratt and Art Bibeau, and Ed Harrison who chalked up two four-baggers. Silver Lake totaled 17 hits off losing pitcher Jim Murray. Dave Rumson was the winning hurler, as he gave up only eight hits and three runs.

Wed. May 23rd: Compugraphic tallied for six runs in the top of the seventh inning to hand Sweetheart their second loss of the season by beating them, 10-8. Paul Bova singled to left and Art Chagnon crossed the plate with the winning run in the sixth. Buzzy Couillard (1-1) allowed nine hits and ten runs to record the loss. Willy Whalen pitched three frames and gave up five runs, so Art Chagnon was called upon to take over the mound. Artie gave up only three runs and therefore picked up the win. McNamara Tire chalked up its first victory of the season as they beat Napa, 11-6. Len Gustus led the hitting attack with two doubles and added that with two

singles by Jim Ritchie and Tom Southmayd, a single and a double by Ralph Delisle and Bill Mutchler, and five other individual hits. Mutchler scored the winning run in the fourth frame on an overthrow at first base. Gary Warford picked up the win.

Thurs. May 24th: Jim Hatchey cracked a two-run homer in the last of the seventh to spark a K of C attack, despite the fact that the Knights fell short of Brewsters, 10-6. Bill White tripled in the fifth inning to score Gary Edge from first base with the game winning run. Edge had three singles and four runs batted in on the night. Gary Smith picked up his second win, hurling the full seven innings and giving up ten hits and six runs. Hatchey took the loss. Jay-Dee tallied for 10 runs in the fourth inning to hand Soderholm their second loss as they beat them by a score of 23-13. Soderholm picked up eight runs in the top of the seventh inning off of Jay-Dee's second relief hurler Dave Newhouse.

Eight wasn't enough though, since Jay-Dee already had a comfortable 23-5 cushion. Joe Gilligan picked up the win. Jay-Dee whacked a total of 21 hits off Soderholm's pitchers. This put Jay-Dee's slate at 2-0.

Fri. May 25th: Paul Burke cracked three base hits and added that with hurling a complete game in the first contest of the evening despite the fact that Polychemical lost to Compugraphic, 9-4. Art Chagnon was the winning hurler, giving up ten hits and four runs. Art also went the full distance. After a four run first inning, Joe Schier singled to start things off for Compugraphic. Schier stole second and was driven home with the game winning run on Dick Butt's base hit. Rick Froton smashed two home runs, one a grand slam, a single and a sacrifice fly to drive in seven runs and lead the Miceli Club to a 19-4 rout over Jay-Dee. In the third inning, Joe Cawhalo singled to score Froton from second base and the winning run.

Ollie Olson received the win, and Joe Gilligan took the loss.

Sun. May 27th: Bill Landry cracked two singles and a double to drive in four runs as Polychemical beat Tabby, 19-6. Tabby had three batters with extra base hits, but Polychemical totaled 14 hits in the contest to overpower Tabby. Paul Burke picked up the win, hurling seven frames and giving up ten hits. In the seven run first inning, Joe Rose doubled to score Burke from second base with the game winning run. In the second game, Sweetheart handed Brewsters their first defeat as they beat them, 9-7. Nick Katramados, who had two base hits and three rbi's on the night, drove in what proved to be the winning run in the fourth inning. Nick singled to right and John Rose scored from third. Buzzy Couillard picked up the pitching win, allowing ten hits and seven runs. A very powerful Silver Lake Pharmacy team upped its slate to 2-0 as they murdered Napa, 23-0. Ralph Casteel suffered the humiliating loss, while Dave Rumson twirled his second win to put his record at 2-0. Rumson also added a two-run three base hit in the sixth frame to help his cause. In 25 hits, Silver Lake had 11 singles, ten doubles, three triples, and one fourbagger.

All Monday night games were rained out.

SUBURBAN PONY LEAGUE

Sat. May 26th: The Mavericks opened their season on a sour note bowing to the Stoneham Falcons, 6-3. Chris Rounds pitched a strong game, giving up three hits and issuing a pair of base on balls while striking out four. All of the Falcon runs were unearned as the Mavericks committed five errors, four in the opening inning alone which provided for Stoneham's five runs. Jimmy Sughrue played an excellent game in the field, making a one handed catch to stop a Falcons threat in the late innings. Jimmy also knocked in a pair of runs with a single in the 7th while walking twice.

Sun. May 27th: Charlie Sullivan spun a neat three hitter as the Wildcats nipped the Stoneham Eagles, 1-0 in the seasonal opener for both clubs. Dan Hurley's rbi double in the bottom of the first inning provided the only run Sullivan needed. Sully walked two, while whiffing seven in a strong performance. Dan Hurley also sparked in the field as he ended the game with an unassisted double play on a smash over second. The game against the Reading Jets on Monday was called after three innings because of rain with the Wildcats leading, 2-1. Members of Coach Hurley's squad this season include five players from the 1970 State Little League All-Star team, namely Bob Aprile, Dan Burns, Dan Hurley, Charlie Sullivan and Bob Dorval.

Squirt A's...The A's slammed Medford, 10-3 behind the five goal performance of Don Foley last weekend at the Arena. Wilmington maintained a wide 30-20 shots on net advantage as the goal tending tandem of Mike Taylor and Dwight Storer kept Medford at bay. Other goal scorers were Bob Lowmy (3), Dana Kidd (1) and Doug Wiberg (1).

WILMINGTON LITTLE LEAGUE

Majors: The Twins suffered their initial loss of the season, 7-6 at the hands of the Indians, but remained in first place behind the two hit pitching of Todd Richards, who white-washed the Yankees, 15-0. Then Billy Liston tossed a two hitter at the Red Sox in a 19-2 shellacking, with Richards blasting a pair of homers and Liston chipping in with a solo blast. The Indians moved into a tie

for second with a 4-3, extra inning triumph over the Tigers. Steve Foley picked up his third win for the Orioles by tossing a no-hitter at the White Sox, 14-0, while whiffing 15 Red Sox batters. The Yankees topped the Pale Hose, 4-3, behind Jim Litevinsky's fourth victory. Good relief pitching by Bobby Griffin lifted the Angels over the Yankees, 6-5. Rus Daley pitched well in relief to save the Red Sox 6-4 triumph over the Angels.

Minors: Everyone lost this past week as the Cubs nipped the Pirates, 7-6 and then lost in extra innings to the Mets, 7-5. The Cards were beaten by the Pirates, while the Braves won their first topping the Giants. The Dodgers got shut out pitching from Ron Jackson and 7 rbi's on a triple and homer by Jim Boudreau in beating the Redlegs, 9-0.

West Farm: The Sharks tied the Eels for the top spot by beating the

Eels, 6-3, while the Seals trounced the Marlins, 11-4 and the Dolphins ripped the Penguins, 7-1 behind the pitching of David Maxwell. Andy Leverone pitched another fine game for the Sharks and John Hunt delivered a three-run triple for the Sharks margin of victory. On Sunday, June 3rd at 1 o'clock at Rotary Park, the first Farm All-star game will take place with West battling the North.

WILMINGTON REC TENNIS TOURNAY

Play begins the week of June 4th. The tourney is open to any Wilmington resident or anyone employed in Wilmington. To register call the Recreation Dept. 658-6512. Players will schedule their own matches - time and place - after they have been notified whom their opponents will be. The deadline for completion of the first round is Friday evening, June 8th (four days) - weather permitting, thereafter, three days are allotted to complete each subsequent round, again weather permitting.

Semi-final and final round matches will be scheduled, time and place to be determined. Results of each match should be reported to one of the tourney officials: Mens singles - Bob Peters Jr., 658-2526; mens doubles, Dave Webster, 658-2812; mixed doubles, Ray and Jane Forest, 657-7445; womens singles and doubles, Dick and Lois Bova, 658-6120.

Any regulation tennis racket and ball can be used - new balls preferably U.S.L.T.A. rules will apply at all times. Matches will be best two out of three sets, and a nine point tie-break system will be used if a set reaches six games all. In a nine point tie-break system, players alternate court sides each odd point and serve alternates on a 3-2-2 basis - 3rd, 5th, 7th points - first player to win five points wins that game and set.

A consolation tournament will be held for those players who lost on the first round.

Mens doubles, womens doubles and mixed doubles teams will be selected by a drawing - draw partners - rather than have teams enter. The names of all players who sign up for a particular doubles classification will be put in a hat and drawn out at random to form teams.

Any disputes over rules interpretations will be settled by the tourney officials. If necessary, disputed matches will be re-played from the disputed point.

SPRING HOCKEY

Bantam A's (6-4-0)...The A's defeated Arlington, 7-3 in a penalty riddled contest at the Ice Arena last Thursday night. Wilmington capitalized on the Arlington penalties and scored three power play goals as all of the players contributed to the win.

Gordie Fitch started the scoring parade at 1:47 of the opening frame poppin' in a goal from ten feet out, with Bob Kohler and Al Williams assisting. At 4:14 Chris Davey drove home a Scott Dindo pass to increase the lead to 2-0. However, Arlington tied the score with a pair of markers at 6:04 of the frame and at 3:21 of the middle period. Wilmington bounced back with four unanswered goals for an unsurmountable lead of 6-2. Dave Rossi snapped the tie at 8:46, with Olson and Kohler assisting. Kohler scored at 11:19 with Olson picking up the helper, then Olson scored a pair at 11:50 and 14:20 with Matt Donnelly and Fitch assisting.

Arlington made it 6-3 at 3:22 of the last period with a penalty shot goal. Paul Trickett provided the final margin of victory at 14:01

when he stole an errant pass and fed Donnelly, who lifted the puck over the Arlington goalie to wrap it up.

Bantam B's (7-1-0)...Coach Gerry McPhee's bantams topped Arlington No. 2, 7-0 on May 15th as goalies George Ravagni and Tony Viera turned in their third shut out of the spring. Wilmington scored three times in the opening frame as Paul McMahon tallied a pair and Brian Tighe one. Four more goals in the middle frame wrapped it up as Paul Sullivan (2), Mike Carlin (1) and Tighe (1) lit the scoring lamp.

Pee Wee A's...After a scoreless opening stanza the A's scored three times in the middle frame enroute to a 5-1 triumph over Beverly Farms last Saturday at the Arena. Bill McCann (2) and Steve Wingate (1) gave the Wilmington club a 3-0 lead which

they never relinquished. In the last period Steve Connelly and McCann scored once each to offset a single marker by Beverly.

Assists were garnered by Matt Kmon, Dave Ballou, Dana Kidd, Brian McNamara and Greg Howell. Andy Pederson and Peter Malarky played outstanding while sharing the goal tending chores.

Pee Wee B's...although shut out in a penalty riddled contest last Saturday afternoon, the A's came from behind to salvage a 4-4 tie with Cambridge. Highlights were Rich Robinson's unassisted marker in the third period and Bob Richter's body checking to break up a threatening play late in the game. Other goal getters were Dennis Foley, Robbie Greenberg and Jim Burns. Helpers were picked up by Tim McCann, Pat Palmer, Peter Davey, Richter and Burns.

Squirt A's...The A's slammed Medford, 10-3 behind the five goal performance of Don Foley last weekend at the Arena. Wilmington maintained a wide 30-20 shots on net advantage as the goal tending tandem of Mike Taylor and Dwight Storer kept Medford at bay. Other goal scorers were Bob Lowmy (3), Dana Kidd (1) and Doug Wiberg (1).

\$200,000 LAWSUIT

Mai Tai says employees acted properly

An attorney for the Mai Tai
 Restaurant in Tewksbury has
 alleged restaurant employees acted
 properly in a February 3 incident
 for which two men are suing the
 firm for \$200,000 and a Tewksbury
 patrolman for \$150,000. The men
 allege employees and police beat
 and committed other illegal acts
 against them at the time of the in-
 cident.

Atty. John W. McCann,
 representing the restaurant, has
 filed an answer in Cambridge
 Superior Court to the suit made on
 behalf of John D. MacIver of
 Wilmington and Stephen Hunt of

Woburn. McCann alleges the in-
 juries and damages claimed by
 MacIver and Hunt were caused in
 whole or in part by the men's own
 negligence.

The attorney charges that at the
 time of the incident the two men
 were violating an unspecified state
 law which contributed to the
 alleged incident, were
 trespassing and, as a result,
 assumed the risk of injury or
 damage for which they are suing
 the firm.

Restaurant employees, McCann
 alleges, were privileged and
 justified in their acts and conduct

and used no more force than was
 necessary in the situation. As a
 result, he alleges, the restaurant
 isn't liable in the case.

MacIver and Hunt are suing the
 firm for assault and battery,
 slander, abuse of legal process,
 false imprisonment, malicious
 prosecution and intentionally in-
 flicting emotional distress upon them.

They allege employees of the
 firm beat and kicked them, partly
 with a dangerous weapon, told
 police they refused to pay their bill
 and caused trouble, and had them
 arrested, though the restaurant
 didn't appear in court the next day
 to press charges.

Each man seeks \$100,000 in
 damages from the restaurant and
 \$75,000 from Ptl. Thomas Flynn.
 They allege Flynn without legal
 justification assaulted and illegal-
 ly arrested and jailed them, but
 didn't seek a complaint in court
 against MacIver and Hunt.

Flynn alleged at a Tewksbury
 selectmen's meeting later that he
 wasn't the arresting officer in the
 case, and wasn't liable because he
 only assisted in the arrest. He said
 his name was listed as arresting
 officer on police records without
 his permission.

If you've decided to install
 prefinished paneling in your
 home, here is some handy advice.
 Furring strips must be applied to
 concrete or masonry walls before
 paneling can be installed.

Attach with 1 1/2 inch masonry
 nails, flange-type fasteners or
 perforated anchor nails. Nail or
 cement paneling to furring. If you
 nail it, nail to studs or furring
 strips at intervals of 8 inches
 along the panel edges, 12 inch in-
 tervals elsewhere.

Remember to start panels from
 a corner and make sure first sheet
 is true and straight. Paneling will
 install quickly and easily.

Wilmington Head Start Program

The Wilmington Public Schools
 will again be operating a Summer
 Head Start Program, for children
 who will be attending kindergarten
 or elementary school for the first
 time this fall. Congressman Paul
 Cronin announced this week that
 the sum of \$11,461 has been an-
 nounced to the Wilmington Schools
 for this purpose. The grant will be
 available through the Office of
 Economic Opportunity.

According to the Office of
 Economic Opportunity, at least 90
 percent of the children enrolled in

each class must be eligible under
 the OEO Family Income Stan-
 dards. This means that children
 from "low income" families, or
 families currently on welfare will
 receive first priority.

The program is to start on July 2
 and will last until August 10 (Six
 weeks). Daily classes will be from
 8 am to 12 noon.

The children will be transported
 to and from the classes by bus.
 There will be a breakfast type
 snack in the morning, and a hot
 lunch, before being dismissed at
 noon.

Joseph J. Connelly (658-3494) of
 the Woburn Street School is to be
 Head Start Director. The deadline
 for applications is June 5th.

NEW ENGLAND REHAB CENTER IN WOBURN

They walk out without a limp

"I have seen people go in there with canes and crutches, and
 they walk out without a limp".
 That's the way that Roger Beaupre characterizes the New
 England Rehabilitation Center, in Woburn.

Roger is well known in
 Wilmington. He is the president
 and manager of A.B. Sweeney, on
 Main Street. He was one of the
 founders of Wilmington's Knights
 of Columbus and is a past Grand
 Knight. He has served as presi-
 dent of the Wilmington Chamber of
 Commerce.

Roger is singing the praises of
 the Pain Unit Clinic, at the New
 England Rehabilitation Center,
 and of Dr. Nathaniel Hollister who
 introduced the radically new
 therapy at the Center in Woburn.
 Dr. Hollister was formerly the
 President of the Congress of
 Neurological Surgeons, a national
 organization.

Known as "Nat" he seeks to get
 his patients off strong medications
 and pain killing drugs as soon as
 possible, and to strengthen back
 muscles through therapy, electric
 stimulator, whirlpool baths, swim-
 ming exercises, and not the least
 important, peer review by fellow
 back-sufferers.

"You have to build up back
 muscles by exercise, and keep in
 shape" Dr. Hollister says. "Like
 any muscle, you have got to use it
 to keep it healthy".

Roger knocked out his back in
 1971. He was riding a tractor, it hit
 a rock and tipped slightly. He suf-
 fered a ruptured disc and other
 damage. He had a spinal fusion,
 which later had to be re-fused.
 Then he had more trouble - from a
 nerve block. There seemed to be
 no relief.

It was recommended that he try
 the new treatment at the Pain Unit
 of the New England Rehabilitation
 Center.

"I took the treatment for 25
 days. It was remarkable. I can
 now bend over at will. I am
 working every day. I no longer
 have to take drugs for pain."

As far as exercise is concerned,
 which Dr. Hollister emphasizes,
 Roger finds that working around
 the garden during the summer
 seems to be all he needs.

"Naturally I have to be careful
 how I sit, and what I lift. I would
 say Nat has a new discovery in this
 system. He did alleviate the pain
 problem, and the drugs" Roger
 says.

The New England Rehabilitation
 Center is the first nationally ac-
 credited rehabilitation center in
 Massachusetts. It is a 200 bed
 facility with an Out-Patient Clinic
 which specializes in rehabilitation
 therapy for critically injured per-
 sons, and for paralyzed and partial-
 ly paralyzed patients.

The Pain Unit team say they
 wish they could get back sufferers
 before there has been surgery.
 Some of the patients who have
 found success there have a history
 of several operations, of long
 periods of traction, of being bed-
 ridden for months. In addition to
 the staff there are students from
 six colleges and universities at the
 Center for clinical training.

WILMINGTON FORD

Rte. 38, Wilmington—Opposite Wilmington Plaza—658-6800

What can be done when your
 child has a cold? First of all, call
 the doctor if it looks at all serious.

A good rule of thumb is to call a
 doctor for a high fever or for a low
 fever that persists. Chilling often
 makes a cold worse.

It's usually recommended that
 the child stay indoors and away
 from drafts until the cold is over.

If your child is small and has a
 fever, bed is usually the best
 place for him. Aim to clothe your
 child so that he is comfortable and
 evenly warm.
